DOG OWNERSHIP MANAGEMENT

2024 Rabies Conference in China

Suki from our Cat and Dog Welfare team, was again invited to attend this year's meeting as a presenter.

She shared her presentation on "The Role of Companion Animal Protection Institutions in Rabies Education" with over 1,500 experts and scholars from various fields including disease control, clinical practice, and animal husbandry and veterinary medicine.

DOG OWNERSHIP MANAGEMENT

Changsha invitational lectures

In April, invited by the Public Security Department (PSB) of Hu'nan Province, we gave lectures on urban dog ownership management to more than 180 public security officers in their first "Provincial Public Security Special Industry and Entertainment Venue Management Training Course" in Changsha city.

DOG OWNERSHIP MANAGEMENT

Jinchang city invitational lecture

On 5th December, the Cat and Dog Welfare Team was invited to Jinchang City, Gansu province to give a lecture to the authorities of the city on urban dog ownership management with over 100 attendees.

After the lecture, the team met with the Deputy Director and relevant staff of the Urban Management Bureau and the Director of Jinchuan Stray Animal Protection Association, to have an in-depth discussion and ideas exchange surrounding shelter management, humane stray animal capture and the construction of an education center.

DOG OWNERSHIP MANAGEMENT
